# Visit an Artists Studio

*See artists working in their studios*  
*"Artworks available directly from the artist"*

Autumn / Kirsten Laken

Open first Sat of each month  
Or by appointment any time

*Details & directions inside*

Journey through the Dandenongs on the **Yellow Brick Road** and visit local artists working in their studios.

This is a unique way to meet with artists and view their art outside a commercial gallery. All artists are part of the popular *Dandenong Ranges Open Studios* that open in May with the support of Burrinja.

Artworks are for sale direct to the public from each studio including paintings, prints, illustrations, fabrics, ceramics and sculpture etc. Refer to individual artists details for further information.

All studios are available for visits at other times. Call to make an appointment at a time that suits yourself and the artist.

Please support our sponsors ★ along the way

## Follow the Yellow Brick Road

Most studios are open first Sat of the month and artists have a stall at the Kallista Market. Meet some of the artists at the market and see which studios are open on the day.
